

Scottish Renal Registry
Annual Audit Census Day May 2012 - PD
Confidential Summary and Data Collection Sheet

Please complete this form for every patient using PD on the census day in May 2012. This includes patients who are normally registered with another unit but who are dialysing with you on that day. It also includes all your satellites.

An expanded instruction sheet has been sent to each renal unit. A copy can be viewed on the SRR Website.

Once complete please return to your SRR Unit Contact, and the SRR staff will arrange for the forms to be returned to the SRR office via a courier. Thank you.

1. Patient ID

Attach Patient ID Label Here

Name of Parent Renal Unit – refer to list	
---	--

2. Weight and Blood Pressure. Most recent results for PD patients
